

**WORLD MAGNETICS**

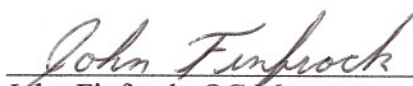

Quick Response...Reliable Solutions

## RoHS Compliance Statement

As determined by our quality department, all World Magnetic's pressure / vacuum / differential switches and magnetic heads meet the RoHS guideline for electronic components and hardware. Our switches also comply with the requirements of the EU directive for banned substances:

- Lead
- Hexavalent Chromium
- Polybrominated Biphenyls
- Pentabromodiphenyl ether (PentaBDE)
- Mercury
- Cadmium
- Polybrominated Diphenyl Ether
- Octabromodiphenyl ether (OctaBDE)

Our statement regarding RoHS compliance and the EU Directive do not extend to, or apply to any products subject to unintended contamination, misuse, neglect, accident, improper installation, or used in violation of instructions furnished by our company.
